

2011-2012 BOOKLIST

The textbook list is subject to change due to textbook availability from the publisher(s). If you purchase your textbook from MBS and there is a book change, MBS will exchange the books (as per price paid) and pay for the shipping of the new text and the shipping for the returning textbook. If you choose to use an outside provider and the textbook changes you are responsible to buy the updated textbook.

If you purchase a book from MBS for an elective class and your student doesn't get that elective (due to availability) you have 30 days from the day of purchase to return the book to MBS in the same condition it was received in to get full credit back. You will be responsible for the shipping and purchasing of the books for the new course.
