

January 2011

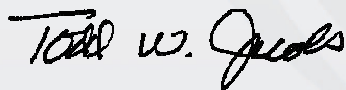

Dear CCS Family,

It is a pleasure to once again extend to each of you the opportunity to re-enroll your child(ren) at CCS! While we are fully engaged with this school year, we are already looking ahead to the 2011 - 2012 school year with great anticipation!

In our effort to plan as effectively and efficiently as possible for the year ahead, we are asking that you take advantage of the **lower Registration Fee by enrolling before March 31, 2011**. This gives us the best opportunity to plan schedules and classroom assignments while addressing our staffing needs. We will continue to observe our ongoing practice of enrolling returning 7<sup>th</sup> – 12<sup>th</sup> grade students in their desired classes based on the date the application is filed and student fees are paid.

The next school year will be here before we know it. It is a joy to partner with you as we educate and train up students to pursue and follow God's plan for their lives. Please call if you have any questions or stop by one of the offices if we can be of assistance in the enrollment process. GO COUGARS!!

Serving Him together,
