

First Grade News

The best way to contact your child's teacher is by email. Make sure you put your child's name in the subject box so we will be sure to open it up. My email address is as follows:

Mrs. Chapin terri.chapin@ccscougars.org

Week-at-a Glance 16
Dec. 17-21, 2018

News and Notes

Please make sure your child is practicing their math facts for addition and subtraction (up to 9) for 10 minutes each night. They need to be able to do about 20 facts in 2 minutes. If you are unable to drill your child, have him/her do fact practice on the computer.

There will be no newsletter sent home on Dec. 21st. We will be sending home the newsletter on Jan. 7, 2018. Take time to read several holiday books over the break, and don't forget to record them on the December Reading Log.

We will be working on our last sight word list when we come back from break. By the end of January they should be fairly fluent with the 107 words they have been introduced to over these past several months. They will take a final review test over all of them towards the end of January.

Some items that will greatly help us and your child:

1. Remember to put your child's name in all outer wear.
2. Remember to have your child master tying their own shoes over the break!

Have a joyous Christmas and spend some quality family time together.

Important Dates:

- **Dec. 21 -Early Out @ 11:00 am No Daycare/ No lunch served**
- Dec. 22- to Jan. 6 No School/No Daycare, Christmas Break
- Jan. 7- School resumes, Pajama Day!
- Jan. 21- MLK Jr. Day No school.
