

Capital Christian High School is a fully accredited WASC/ACSI college prep school. The summer school program at CCHS is a comprehensive program designed to offer current high school students from grades 9-12 courses for high school credit as well as classes for remediation. Summer school is open to any high school student.

Credit courses are designed for student advancement to meet the rigors and expectation of colleges/universities. Courses taken for credit need to be approved by the school administration and a recommendation for all students seeking courses for credit.

There is a \$25 application fee due at the time of registration for Summer School. This fee is non-refundable unless the course is not offered. You will be notified in early May if the course is not offered.

Tuition must be paid in full by June 5th. Admission can be denied if tuition is unpaid.

All applications and payment must be turned into the High School Office.

Attendance & Dress Code

All CCHS rules and regulations are in effect during summer classes. The summer school dress code is expected to be followed and the closed campus policy is in effect.

Students are expected to dress appropriately and modestly. Clothing must completely cover the stomach, back and chest. No bare feet or excessively tight clothing, revealing attire including excessively short skirts, shorts or low cut shirts. Clothing with references to alcohol, sex, drugs, racism or sexism, sagging and or exposed undergarments are not allowed. Students may be sent home for violation of the dress code policy. A second violation can result in dismissal from the summer school program. CCHS reserves the right of final interpretation of these rules.

Attendance is taken daily. Students enrolled in courses for credit may not miss more than one day of school per semester if they wish to be granted credit for the course. If a student is absent, a parent is to call the High School Office prior to class time to advise the school of the reason for the absence. The student is required to bring a written note from his/her parent or guardian to the High School Office prior to being re-admitted to class.

On the first day of class, students should arrive 15 minutes early to confirm class and classroom assignment. Students will need to purchase books and must come to class prepared with their own pens, pencils, paper and notebooks.

Students may bring a snack, water and/or purchase small snack items from the café at break if the café is open that day.

Classes are limited and enrollment will be based on a first come first served basis. Students will not be officially enrolled until tuition and fees are paid. CCHS reserves the right to cancel classes that do not have sufficient enrollment.
